REHM GRINAKEER CONSTRUCTION COMPANY LTD ENVIRONMENTAL POLICY

REHM Grinaker Construction Co. Ltd was founded in 1991 and is a leading multi-disciplinary construction company reputed throughout Mauritius for delivering quality work on time.

We acknowledge our obligation to protection of the environment by:

1. Identifying and assessing environmental aspects and impacts associated with all our activities and addressing them responsibly;
2. Complying with applicable legal requirements and with other statutory requirements to which the company subscribes;
3. Continually promote education and training to ensure knowledge in performing tasks that may have an impact on the environment;
4. Continual improvement of the environmental management system;
5. Assist suppliers, contractors and sub-contractors to be environmentally conscious and responsible.
6. Communicate environmental aspects and impacts to all persons working for or on behalf of the company.

In Order to achieve the above objectives, it is our policy to ensure that's all our activities are controlled, measured, monitored, analysed, conducted and improved in an effective and systematic manner. We will ensure that this policy is communicated and understood at all levels in our organisation and is periodically reviewed for its continuing suitability and effectiveness in meeting our stated objectives.
