## REHM GRINAKEER CONSTRUCTION COMPANY LTD OCCUPATIONAL SAFETY AND HEALTH POLICY

**REHM Grinaker Construction Co. Ltd** was founded in 1991 and is a leading multi-disciplinary construction company reputed throughout Mauritius for delivering quality work on time.

Our Safety and Health Management Objectives are to demonstrate our aptitude and commitment to constantly provide a safe and healthy workplace by:

1. Identifying and assessing hazards and risks associated with all our activities;
2. Conforming with applicable legal requirements and other statutory requirements to which the company subscribes;
3. Continually promote education and training to ensure competency in performing tasks that may have an impact on the workplace;
4. Continuous enhancement of the Safety and Health Management System and the prevention of accidents or any condition or factor that can affect the wellbeing of employees, temporary workers, contractor personnel, visitors, any other person in the workplace or the public at large;
5. Sensitise suppliers, contractors and sub-contractors on safety and health, and ensure their continuing engagement and compliance;
6. Communicate any information pertaining to safety and health and any potential risks to all persons working for or on behalf of the company, public at large and or any interested party.

To achieve the above objectives, it is our Policy to ensure that all our activities are controlled, measured, monitored, analysed, and conducted and improved in an effective and systematic manner. We will ensure that this policy is communicated and understood at all levels in our organization and is periodically reviewed for its continuing suitability and effectiveness in meeting our stated objectives.
